AMBASSADORS PROJECT

The Ambassadors Project is a proposal to update, modify, and expand our facility. Our goal is to build the vision of "making informed and winsome ambassadors of Jesus Christ to our secular culture." Click here to watch the video presentation and provide feedback. Also, check out answers to Frequently Asked Questions.

Join us for our **Congregational Meeting on Sunday, March 4**, after worship. After the Elder Executive Board evaluates all the feedback, we'll meet to discuss what we've heard and decide whether and how to move forward with the design and capital campaign.

Please pray for this process and how God would lead us!
